

Tom Feiza, Mr. Fix-It

Professional Engineer, Expert Witness, Home Inspector, Writer

Tom presents technical workshops at national and local educational meetings for home inspectors. He also makes presentations for builders, remodelers, attorneys, homeowners and others with home-related interests.

Tom is a “recovering” registered professional engineer (PE, BSME) with more than 45 years of construction and engineering management experience. For over 30 years, he’s been known as Mr. Fix-It to 45,000 loyal listeners/callers for his Saturday morning radio show on AM620 WTMJ in Milwaukee, WI.

Tom inspected homes for more than 25 years with 9,000 inspections under his belt. Tom also works as an expert witness on legal and insurance issues involving residential construction.

Tom’s published works on home repair and operation include *How To Operate Your Home* (a series of four books), *Home Systems Illustrated* (more than 1,775 illustrations), and five other books. Tom contributes articles to home inspector technical journals and magazines. He also provides e-mail marketing materials, and custom printed books for home inspectors.
