

Ryan Schaefer
Simpson Strong Tie

Bio and Course Description

Ryan Schaefer is the Territory Manager for Illinois. His duties include training, educating and assisting many Design Professionals, Builders, Contractors, Building Officials, Suppliers and Dealers on the importance of building safer stronger structures economically.

He has been with Simpson Strong-Tie since 2000 and is available to offer additional support in the field to meet or exceed our customers' needs and expectations.

At the WAHI Fall 2021 Training Seminar, Ryan will inform home inspectors of the requirements for the construction of decks to ensure they are safe and strong.
